The extra bubble
Application of a Pinot Noir sheet mask during your massage
12€

OUR VINÉSIME TREATMENTS

The A2OC complex (Anti-oxidant and Cellular Oxygenator) combines the polyphenols of vintage Pinot Noir extracts with the vital molecules of Burgundy Blackcurrant buds. This complex, patented by the Vinésime brand, is a major component of the products we use in our treatments and sell. It promotes cellular oxygenation and renewal, and it protects cells from aggression and aging.
